Introduction

Section references are to the Internal Revenue Code unless otherwise noted.

This publication contains directories relating to real estate mortgage investment conduits (REMICs) and collateralized debt obligations (CDOs). The directory for each calendar quarter is based on information submitted to the IRS during that quarter.

For each quarter, there is a directory of new REMICs and CDOs and, if required, a section containing amended listings. You can use the directory to find the representative of the REMIC or the issuer of the CDO from whom you can request tax information. The amended listing section shows changes to previously listed REMICs and CDOs. The update for each calendar quarter will be added to this publication approximately six weeks after the end of the quarter.

Publication 938 is only available on the Internet. To get Publication 938, including prior issues, visit IRS.gov.

Future developments. The IRS has created a page on IRS.gov that includes information about Publication 938 at www.irs.gov/pub938. Information about any future developments affecting Publication 938 (such as legislation enacted after we release it) will be posted on that page.

Other information. Publication 550, Investment Income and Expenses, discusses the tax treatment that applies to holders of these investment products. For other information about REMICs, see sections 860A through 860G and the regulations issued under those sections.

Who May Request Information

The persons listed below, or their agent or representative, should follow the procedures in this publication to request tax information from the representative of the REMIC or the issuer of the CDO.

1. Any broker who holds a REMIC regular interest or CDO for itself or as a nominee for an actual holder.
2. A middleman who holds a REMIC regular interest or CDO as a nominee for an actual holder and who is required to file an information return with respect to the regular interest or CDO.
3. The following persons, if they hold their REMIC regular interest or CDO directly and not through a nominee.
 - a. A corporation.
 - b. A fiscal year taxpayer.
 - c. A dealer in securities or commodities required to register as such under the laws of the United States or a state.
 - d. A real estate investment trust (as defined in section 856).

- e. An entity registered at all times during the tax year under the Investment Company Act of 1940.
- f. A common trust fund (as defined in section 584(a)).
- g. A financial institution such as a mutual savings bank, savings and loan association, building and loan association, cooperative bank, homestead association, credit union, industrial loan association or bank, or other similar organization.
- h. Any trust that is exempt from tax under section 664(c) (a charitable remainder annuity trust or a charitable remainder unitrust).
- i. A REMIC.

Note. A person listed in (3) above who holds an interest through a nominee (instead of

directly from the REMIC or the issuer of the CDO) should request the information from the nominee instead of from the REMIC or the issuer of the CDO. The request should be made of the nominee in the same manner as specified below for requesting information from the representative.

How To Request Information

Use the directory to find the representative of the REMIC or issuer of the CDO. You can request information from the representative or issuer by telephone or mail. If only an address is listed in the directory, you must request the information in writing. Your request must specify the calendar quarters and the classes of REMIC regular interests or CDOs for which you need the information.

The representative or issuer must provide the information to you by the later of:

- The 30th day after the close of the calendar quarter for which you request the information, or
- The 14th day after the receipt of your request.

The representative or issuer can provide the information to you by telephone, by written statement sent by first class mail, by printing the information in a publication that is generally read by and available to persons who may request the information (for example, a webpage), or by any other method agreed to by both parties. If the information is published, the representative or issuer must notify you by telephone or in writing of the publication in which the information will appear, the date of its appearance, and, if possible, the page number.

How To Get Tax Help

If you have questions about a tax issue, need help preparing your tax return, or want to download free publications, forms, or instructions, go to IRS.gov and find resources that can help you right away.

Preparing and filing your tax return. Find free options to prepare and file your return on IRS.gov or in your local community if you qualify.

- Go to IRS.gov and click on the Filing tab to see your options.
- Enter “Free File” in the search box to see whether you can use brand-name software to prepare and *e-file* your federal tax return for free.
- Enter “VITA” in the search box, download the free IRS2Go app, or call 1-800-906-9887 to find the nearest Volunteer Income Tax Assistance or Tax Counseling for the Elderly (TCE) location for free tax preparation.
- Enter “TCE” in the search box, download the free IRS2Go app, or call 1-888-227-7669 to find the nearest Tax Counseling for the Elderly location for free tax preparation.

The Volunteer Income Tax Assistance (VITA) program offers free tax help to people who generally make \$54,000 or less, persons with disabilities, the elderly, and limited-English-speaking taxpayers who need help preparing their own tax returns. The Tax Counseling for the Elderly (TCE) program offers free tax help for all taxpayers, particularly those who are 60 years of age and older. TCE volunteers specialize in answering questions about pensions and retirement-related issues unique to seniors.

Getting answers to your tax law questions.

On IRS.gov get answers to your tax questions anytime, anywhere.

- Go to www.irs.gov/Help-&-Resources for a variety of tools that will help you with your taxes.
- Enter “ITA” in the search box on IRS.gov for the Interactive Tax Assistant, a tool that will ask you questions on a number of tax law topics and provide answers. You can print the entire interview and the final response.
- Enter “Pub 17” in the search box on IRS.gov to get Pub. 17, Your Federal Income Tax for Individuals, which features details on tax-saving

opportunities, 2015 tax changes, and thousands of interactive links to help you find answers to your questions.

- Additionally, you may be able to access tax law information in your electronic filing software.

Tax forms and publications.

You can download or print all of the forms and publications you may need on www.irs.gov/formspubs. Otherwise, you can go to www.irs.gov/orderforms to place an order and have forms mailed to you. You should receive your order within 10 business days.

Direct deposit. The fastest way to receive a tax refund is by combining direct deposit and IRS *e-file*. Direct deposit securely and electronically transfers your refund directly into your financial account. Eight in 10 taxpayers use direct deposit to receive their refund. The majority of refunds are received within 21 days or less.

Getting a transcript or copy of a return.

- Go to IRS.gov and click on “Get Transcript of Your Tax Records” under “Tools.”
- Call the transcript toll-free line at 1-800-908-9946.
- Mail Form 4506-T or Form 4506T-EZ (both available on IRS.gov).

Using online tools to help prepare your return. Go to IRS.gov and click on the Tools bar to use these and other self-service options.

- The [Earned Income Tax Credit Assistant](#) determines if you are eligible for the EIC.
- The [Online EIN Application](#) helps you get an employer identification number.
- The [IRS Withholding Calculator](#) estimates the amount you should have withheld from your paycheck for federal income tax purposes.
- The [Electronic Filing PIN Request](#) helps to verify your identity when you do not have your prior year AGI or prior year self-selected PIN available.
- The [First Time Homebuyer Credit Account Look-up](#) tool provides information on your repayments and account balance.

For help with the alternative minimum tax, go to IRS.gov/AMT.

Understanding identity theft issues.

- Go to www.irs.gov/uac/Identity-Protection for information and videos.
- If your SSN has been lost or stolen or you suspect you are a victim of tax-related identity theft, visit www.irs.gov/identitytheft to learn what steps you should take.

- Go to www.irs.gov/refunds.
- Download the free IRS2Go app to your smart phone and use it to check your refund status.
- Call the automated refund hotline at 1-800-829-1954.

Making a tax payment. The IRS uses the latest encryption technology so electronic payments are safe and secure. You can make electronic payments online, by phone, or from a mobile device. Paying electronically is quick, easy, and faster than mailing in a check or money order. Go to www.irs.gov/payments to make a payment using any of the following options.

- [IRS Direct Pay](#) (for individual taxpayers who have a checking or savings account).
- [Debit or credit card](#) (approved payment processors online or by phone).
- [Electronic Funds Withdrawal](#) (available during *e-file*).
- [Electronic Federal Tax Payment System](#) (best option for businesses; enrollment required).
- [Check or money order.](#)
- IRS2Go provides access to mobile-friendly payment options like IRS Direct Pay, offering you a free, secure way to pay directly from your bank account. You can also make debit or credit card payments through an approved payment processor. Simply download IRS2Go from Google Play, the Apple App Store, or the Amazon Appstore, and make your payments anytime, anywhere.

What if I can't pay now? Click on the “Pay Your Tax Bill” icon on IRS.gov for more information about these additional options.

- Apply for an [online payment agreement](#) to meet your tax obligation in monthly installments if you cannot pay your

taxes in full today. Once you complete the online process, you will receive immediate notification of whether your agreement has been approved.

- An offer in compromise allows you to settle your tax debt for less than the full amount you owe. Use the [Offer in Compromise Pre-Qualifier](#) to confirm your eligibility.

Checking the status of an amended return. Go to IRS.gov and click on the Tools tab and then [Where's My Amended Return?](#)

Understanding an IRS notice or letter. Enter “Understanding your notice” in the search box on IRS.gov to find additional information about your IRS notice or letter.

Visiting the IRS. Locate the nearest Taxpayer Assistance Center using the Office Locator tool on IRS.gov. Enter “office locator” in the search box. Or choose the “Contact Us” option on the IRS2Go app and search Local Offices. Before you visit, use the Locator tool to check hours and services available.

Watching IRS videos. The IRS Video portal www.irsvideos.gov contains video and audio presentations for individuals, small businesses, and tax professionals. You'll find video clips of tax topics, archived versions of panel discussions and Webinars, and audio archives of tax practitioner phone forums.

1. Taxpayers can find information on IRS.gov in the following languages.
 - a. [Spanish](#).
 - b. [Chinese](#).
 - c. [Vietnamese](#).
 - d. [Korean](#).
 - e. [Russian](#).
2. The IRS Taxpayer Assistance Centers provide over-the-phone interpreter service in over 170 languages, and the service is available free to taxpayers.

The Taxpayer Advocate Service Is Here To Help You

What is the Taxpayer Advocate Service?

The Taxpayer Advocate Service (TAS) is an **independent** organization within the Internal Revenue Service that helps taxpayers and protects taxpayer rights. Our job is to ensure that every taxpayer is treated fairly and that you know and understand your rights under the [Taxpayer Bill of Rights](#).

What Can the Taxpayer Advocate Service Do For You?

We can help you resolve problems that you can't resolve with the IRS. And our service is free. If you qualify for our assistance, you will be

assigned to one advocate who will work with you throughout the process and will do everything possible to resolve your issue. TAS can help you if:

- Your problem is causing financial difficulty for you, your family, or your business,
- You face (or your business is facing) an immediate threat of adverse action, or
- You've tried repeatedly to contact the IRS but no one has responded, or the IRS hasn't responded by the date promised.

How Can You Reach Us?

We have offices [in every state, the District of Columbia, and Puerto Rico](#). Your local advocate's number is in your local directory and at www.taxpayeradvocate.irs.gov.

You can also call us at 1-877-777-4778.

How Can You Learn About Your Taxpayer Rights?

The Taxpayer Bill of Rights describes ten basic rights that all taxpayers have when dealing with the IRS. Our Tax Toolkit at www.taxpayeradvocate.irs.gov can help you understand [what these rights mean to you](#) and how they apply. These are **your** rights. Know them. Use them.

How Else Does the Taxpayer Advocate Service Help Taxpayers?

TAS works to resolve large-scale problems that affect many taxpayers. If you know of one of these

broad issues, please report it to us at www.irs.gov/sams.

Low Income Taxpayer Clinics

Low Income Taxpayer Clinics (LITCs) serve individuals whose income is below a certain level and need to resolve tax problems such as audits, appeals, and tax collection disputes. Some clinics can provide information about taxpayer rights and responsibilities in different languages for individuals who speak English as a second language. To find a clinic near you, visit www.irs.gov/litc or see IRS Publication 4134, [Low Income Taxpayer Clinic List](#).
